WHEREAS, recognizing the legislative intent of the Open Meetings Act and policy of this state that all persons are entitled to the greatest possible information regarding the affairs and actions of our government, public participation must be accommodated, and public notice provided for any meeting among a quorum discussing business of our public body; and

WHEREAS, the Open Meetings Act, Section 10-15-1(D), specifically requires every public body in the state to annually review and decide what additional public notice is reasonable for its meetings, including the methods and timeframe of such notice; and
